INDEPENDENT AUDITORS' REPORT

To the Chairman and Members of The Waterloo Public Library Board

We have audited the accompanying financial statements of The Waterloo Public Library Board, which comprise the statement of financial position as at December 31, 2016, the statements of operations and accumulated surplus, change in net financial assets, and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Page 2

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Waterloo Public Library Board as at December 31, 2016, and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

THE WATERLOO PUBLIC LIBRARY BOARD

Notes to Financial Statements

Year ended December 31, 2016

The Waterloo Public Library Board (the "Board"), as established by the Corporation of the City of Waterloo (the "City") and the Public Libraries Act, is a corporation under the laws of Ontario and is a not-for-profit as well as a registered charitable organization. The Board governs the Waterloo Public Library system and is dependent on the City for a significant portion of its operating and capital funding.

The Board is a key partner in supporting literacy and intellectual, cultural and economic vitality of the community. Through its resources and services, both physical and virtual, the Board offers people of all ages innovative lifelong learning and leisure opportunities.

These financial statements of the Board are the representation of management and have been prepared in accordance with Canadian generally accepted accounting policies for local governments, as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgment. The following is a summary of the significant accounting policies followed in the preparation of these financial statements.

1. Summary of significant accounting policies:

(a) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Rate
Books and audio visual resources	7 years
Shelving	25 years
Computer hardware	3 years
Computer software	10 years
Furniture, fixtures and equipment	10 years

Annual amortization is charged in the year of acquisition and in the year of disposal.

1. Summary of significant accounting policies (continued):

(b) Accrual basis of accounting:

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(c) Employee future benefits:

The contributions to the Ontario Municipal Employers Retirement System ("OMERS"), a multi-employer defined benefit pension plan, are expensed when contributions are due.

The costs of post-employment benefits are recognized when the event that obligates the Board occurs; costs include projected future income payments, health care continuation costs and fees paid to independent administrators of these plans, calculated on a present value basis.

The cost of pensions and other retirement benefits is actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation, expected health care costs and plan investment performance. Any actuarial gains or losses from changes in assumptions are amortized over the average remaining service period for active employees.

2. Investments:

Investments include The Kitchener and Waterloo Community Foundation Library Endowment Fund, which represents amounts held by The Kitchener and Waterloo Community Foundation for The Waterloo Public Library. The interest earned on the restricted principal of \$50,000 is to be used toward a summer reading program. The use of the balance of the interest earned by the Fund is decided annually. The principal is not available for purposes other than investing. Investments are recorded at cost. Fair value of the investment at December 31, 2016 is \$227,197 (2015 - \$223,055).

4. Post employment benefits:

The Library provides certain employee benefits, which may require funding in future periods. An actuarial estimate of future liabilities, dated December 31, 2016, has been completed for the year ended December 31, 2016, and forms the basis for the estimated liability reported in these financial statements.

	2016	2015
Accumulated sick leave benefit plan entitlements	\$ 201,068	\$ 208,735
Other liabilities	476,516	485,724
	\$ 677,584	\$ 694,459

The significant actuarial assumptions adopted in measuring the Library's accrued benefit obligations for the accumulated sick leave benefit plan entitlements and other liabilities at December 31, 2016 are as follows:

	%
Discount rate	3.60
Expected long-term rate of return	6.00
Salary increase	3.00
Dental cost increase	3.00
Health care cost increase:	
2016	6.50
Declining by 2020 to	5.00

Information about the Library's benefit plans is as follows:

	2016	2015
Accrued benefit obligation:		
Balance, beginning of year	\$ (661,433)	\$ (781,881)
Current benefit cost	(27,317)	(33,503)

4. Post employment benefits (continued):

The City funds the expenditures related to this liability from its sick leave reserve fund.

(a) WSIB:

The Workplace Safety and Insurance Board (WSIB) administers injured worker benefit payments on behalf of the Library as a Schedule 2 employer. The expense for the year was \$9,729 (2015 - \$10,076).

(b) Sick leave:

Under the sick leave benefit plan, unused sick leave can accumulate and certain employees may become entitled to a cash payment when they leave the Library's employment. The expense for the year was \$30,437 (2015 - \$51,469).

(c) Pension plan:

The Library makes contributions to the Ontario Municipal Employees' Retirement System ("OMERS"), which is a multi-employer plan on behalf of all permanent full-time and qualifying part-time members of its staff. The plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees, based on the length of service and rates of pay.

Contribution rates for employees earning below and above the year's maximum pensionable earnings were 9% and 14.6% (2015 - 9% and 14.6%) respectively.

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, Waterloo Public Library does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was December 31, 2016. At that time, the plan reported a \$5.7 billion actuarial deficit (2015-\$7.0 billion actuarial deficit).

The plan is a defined benefit plan that specifies the amount of the retirement benefit to be received by the employee based upon length of service and rates of pay.

The amount contributed to OMERS for 2016 was \$246,732 (2015 - \$243,352) for current service and is included as an expenditure on the statement of revenue and expenses and accumulated surplus.

5. Commitments:

The Board is committed to the City to fundraise \$530,000 towards the cost of the John M. Harper branch, which opened in October 2011. In 2016, \$9,200 (2015 - \$nil) of this commitment was paid to the City of Waterloo and is included in other expenses. At December 31, 2016, the remaining balance of the commitment is \$nil (2015 - \$9,200).

THE WATERLOO PUBLIC LIBRARY BOARD

Notes to Financial Statements, page 7

Year ended December 31, 2016

6. Related party transactions:

The Board is appointed by the City of Waterloo Council, and as such, the City of Waterloo (the City) has the ability to exercise significant influence over the Board. For this reason the City is considered to be a related party to the Board.

The City provides municipal contributions to the Board. Municipal contributions received in 2016 amounted to \$5,434,235 (2015 - \$4,795,051).

The City approves capital grants for the Board to purchase specific capital items. Capital grants for 2016 totaled \$200,000 (2015 - \$203,393).

7. Deferred revenue:

	2016	2015
City of Waterloo Grant	\$ 452,853	\$ -
Other programs	30,000	-
	<u>\$ 482,853</u>	<u>\$ -</u>

During the year ended December 31, 2016, funding was received that pertains to the 2017 operating levy grant from the City of Waterloo, and funding for programs to be offered in 2017.
