

The Early Literacy Alliance of Waterloo Region presents...

An Early Literacy Café: Linking Literacy & ESL Families

How can we make our programs more welcoming to new Canadians?

How can we make our programs more inclusive?

How do we deal with a variety of languages in one program?

How do we reach new Canadian families?

These are questions asked by many organizations who work with new Canadian children and families. Join us for a discussion of these issues, with a focus on early literacy and how it relates to our English as a Second language families.
