

Downloading e-audio and eBooks to Mobile Devices

4. After you have added an available title to your cart, select “Proceed to Checkout”. Select “Waterloo Public Library”. Login by entering your library card number and PIN (last 4 digits of your phone number). Select your preferred loan period using the drop-down menu. Select “Confirm check-out”.
5. You can now download the title using the “Download” button under the item. The title will automatically download and open in the Overdrive Media Console Mobile app on your device.

Required software and authorization

1. Before you can download library books to your mobile device, you need to install the Overdrive Media Console app onto your device. You can access this free app:
 - a. From the <http://www.downloadlibrary.ca/site> (bottom of the mobile website)
 - b. From the iTunes App Store/BlackBerry App World/Windows App Marketplace/Android Market
2. If you intend to download any eBooks to your device, you will need to create an Adobe Account by going to www.adobe.com/cfusion/membership/index.cfm

Search for and download titles

1. Visit the Download Library mobile website on your mobile device.
2. Browse for titles you are interested in downloading. Most mobile devices support MP3 audiobooks and ePub eBooks.
3. When you have found a title you want, select “Add to Cart”. If the title is already checked out by someone else, you may request it by selecting “Place a Hold”. To see how many copies the library owns and how many people have holds on it, click on a title with holds.

A few things to note:

- WMA audiobooks cannot be downloaded to a mobile device
- eBooks and audiobooks cannot be renewed
- there is a limit of 15 items total that can be signed out at one time
- eBooks can be returned prior to due date but audiobooks cannot be returned early
- a collection of “Always Available” copyright-free books are available in the footer area of the Downloadlibrary site at <http://www.downloadlibrary.ca>
